

Composing Functions and Beyond with Standard Evaluation Using fapply

by Xiaofei (Susan) Wang and Michael John Kane

Abstract An abstract of less than 150 words.

Introduction

R Core Team (2016)

Usage

This section may contain a figure such as Figure 1.

Figure 1: The logo of R.

Another section

There will likely be several sections, perhaps including code snippets, such as:

```
x <- 1:10  
result <- myFunction(x)
```

Summary

This file is only a basic article template. For full details of *The R Journal* style and information on how to prepare your article for submission, see the [Instructions for Authors](#).
